Examiner Signature	Date Considered

Examiner: Initial if reference considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form if next communication to applicant. An examiner's initials, date, and signature are required (optional). 2 See Kinds Code of USPTO Patent Documents at www.uspto.gov or MPEP 601.04, 3 Enter Office that issued the document, by the two-letter code (WIPO Standard ST.3). 4 For Japanese patent documents, the indication of the year of the reign of the Emperor must precede the serial number of the patent document. 5 Kind of document by the appropriate symbols as indicated on the document under WIPO Standard ST.16 if possible. 6 Applicant is to place a check mark here if English language Translation is attached.

The collection of information is required by 37 CFR 1.77 and 1.96. The information is required to obtain or retain a benefit by the public which is to be by the (or by the USPTO to) procedure the application for a patent or a trademark. 37 CFR 1.77 and 37 CFR 1.96. This collection is estimated to take 2 hours to complete, including gathering, preparing, and submitting the completed application form to the USPTO. The time required will vary depending on the complexity of the information being collected. Any comments or suggestions for reducing this burden, should be sent to the Civil Information Officer, U.S. Patent and Trademark Office, U.S. Department of Commerce, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

If you need assistance in completing the form, call 1-800-PTO-9199 and select option 2.
